JESSICA CURTIS AWARD

The recipient of this recognition is defined as an outstanding individual who actively advocates water safety messages and education

CORPORATE AWARD

Given to an organization that has committed to water safety and drowning prevention.

MEDIA AWARD

The recipient of this recognition is a member of the media who has shown a commitment to drowning prevention and actively promotes water safety.

LINDA S. KIRBY AWARD

This special recognition goes to individuals who consistently uphold the tenants of the award: willing, attentive, tenacious, enthusiastic and resourceful.

LIFETIME ACHIEVEMENT

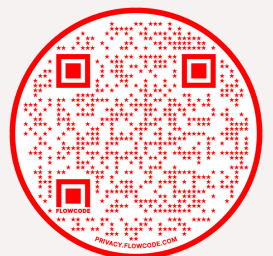

This special recognition goes to an individual or organization who has dedicated a career lifetime of impactful and meaningful work towards preventing drownings that has shown influence over measurable change in the water safety space.

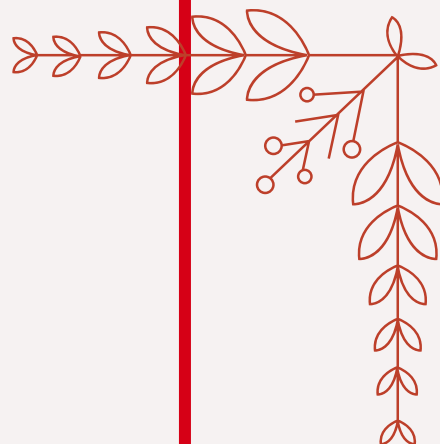

PRESIDENT'S AWARD

The President's Award is given at the discretion of the DPCA President. It is awarded to individuals or organizations whom have made a significant impact in the drowning prevention and water safety space by doing something that has truly made a difference.
